ROSPIN ACADEMY
Intro to Space Sector

CERTIFICATE OF ACHIEVEMENT

This Certificate of Achievement is awarded to

Nechițelea Roland-Flavius

for the performance demonstrated when completing the quizzes and the final assigment from ROSPIN Academy - Intro to Space Sector (ISS).

The Certificate holder has acquired introductory knowledge about the fundamental principles of astronomy and gained insights into the evolution of the space sector, as well as into sustainability practices in space, international space policy, and challenges for human spaceflight. Hereinafter, the recipient has developed a solid foundation for further learning in the field of space technology.
